

MUCH INTEREST IN BBG MEETS BY AMATEURS

Metropolitan Senior Track Meet Promises to Have Many Entries.

NATIONAL MEET FOR SEPTEMBER

NEW YORK, Aug. 1.—Formal announcement is made that Sunday, Sept. 5, has been fixed as the date set for the Metropolitan senior track and field championships. The fixture will be held at Elmhurst under the direction of the Singer Employees Athletic association. As a prelude to the senior championships and in preparation for them, the Metropolitan Association of the Amateur Athletic Union has issued a series of preliminary running races through to the date of the title games.

New York Meets.
The last of the New York Athletic club meets will take place on Saturday, Aug. 2, at the Elmhurst track. However, the New York Athletic club will hold its usual fall games in September, probably on Saturday, Sept. 16. There will be a big meet at the city college stadium on Sept. 1, under the direction of the Metropolitan Athletic association. On the following day, Labor day, the annual Johnson and Johnson Athletic association games will be held at Nelson Field, New Brunswick, N. J. This program is especially favorable to the amateur runner, and indicates that interest in amateur track and field athletics is by no means dead.

National Meet.
Although a definite decision has not yet been made, the tentative plan of the championship committee of the American Athletic union call for the holding of the annual national championship meet at Philadelphia early in September. The date originally set was Aug. 24, Aug. 25, and Sept. 2, but because of the fact that so many Philadelphians go to the shore over the Labor day holiday, Samuel J. Ralston and his advisers have decided it best to look around for another date. It may be that the meet will be held over the weekend of Sunday, Sept. 7, but this would interfere with the Metropolitan championship. Under these circumstances, it is probable that Sept. 12, 13 and 14 will be the dates selected, with the junior championships held on the 12th, the senior for the 13th, and the all-around for the 14th.
